

Yellow Label Toolboxes & Chests

ProMaxx toolboxes are the standard in rugged, weather-resistant toolboxes. These boxes feature a structured lid design which has an outer shell, an insulating middle layer and a unique reverse-beveled-edge lid liner. The combination of these 3 layers creates the strongest, most rigid aluminum lid in its class. To match the strength of the lid, our toolboxes feature a high-strength body with wider top rails.

- High-strength body design
- Built-in storage on both ends
- Self-aligning lid latch pins
- Heavy duty gas shock lid
- Lockable handles
